

**IN THE UNITED STATES DISTRICT COURT
FOR THE NORTHERN DISTRICT OF WEST VIRGINIA**

UNITED STATES OF AMERICA,

Plaintiff,

v.

Criminal Action No. 1:14CR78

TYREE DUPREE WILLIAMS,

Defendant.

REPORT AND RECOMMENDATION
CONCERNING PLEA OF GUILTY IN FELONY CASE

This matter has been referred to the undersigned Magistrate Judge by the District Court for purposes of conducting proceedings pursuant to Federal Rule of Criminal Procedure 11. Defendant, Tyree Dupree Williams, in person and by counsel, L. Richard Walker, appeared before me on June 24, 2015. The Government appeared by Assistant United States Attorney Zelda Wesley. The Court determined that Defendant was prepared to enter a plea of “Guilty” to Count Four of the Superseding Indictment.

The Court proceeded with the Rule 11 proceeding by first placing Defendant under oath.

The Court inquired of Defendant whether he was a citizen of the United States. Defendant responded that he is a citizen. The undersigned asked Defendant whether he understood that if he were not a citizen of the United States, by pleading guilty to a felony charge he would be subject to deportation at the conclusion of any sentence; that he would be denied future entry into the United States; and that he would be denied citizenship if he ever applied for it. Defendant stated that he understood.

The Court determined that Defendant’s plea was pursuant to a written plea agreement and asked the Government to tender the original to the Court. The Court asked counsel for the

Government if the agreement was the sole agreement offered to Defendant. The Government responded that a total of three plea agreements had been offered to Defendant and counsel for Defendant confirmed the same. Defendant understood he was entering a plea to the third plea agreement with was less favorable to him than the first plea agreement offered. Defendant acknowledged that his attorney timely discussed each of the plea agreements with him; that because he signed the second plea agreement after the deadline for signing and a superseding indictment was returned, the Government withdrew the offer in the second plea agreement; and that his attorney tried to get the Government to renew the second plea agreement offer to no avail. Defendant acknowledged that he was kept informed by his counsel of the negotiations particularly after Defendant was arrested for violations of his initial release conditions. The Court asked counsel for the Government to summarize the written plea agreement. Defendant stated that the agreement as summarized by counsel for the Government was correct and complied with his understanding of the agreement. The Court **ORDERED** the written plea agreement filed.

The Court next inquired of Defendant concerning his understanding of his right to have an Article III Judge hear the entry of his guilty plea and his understanding of the difference between an Article III Judge and a Magistrate Judge. Defendant thereafter stated in open court that he voluntarily waived his right to have an Article III Judge hear his plea and voluntarily consented to the undersigned Magistrate Judge hearing his plea, and tendered to the Court a written Waiver of Article III Judge and Consent to Enter Guilty Plea before Magistrate Judge, which waiver and consent was signed by Defendant and countersigned by Defendant's counsel and was concurred in by the signature of the Assistant United States Attorney.

Upon consideration of the sworn testimony of Defendant, as well as the representations of his counsel and the representations of the Government, the Court finds that the oral and written waiver of Article III Judge and consent to enter guilty plea before a Magistrate Judge was freely and voluntarily given and the written waiver and consent was freely and voluntarily executed by Defendant, Tyree Dupree Williams, only after having had his rights fully explained to him and having a full understanding of those rights through consultation with his counsel, as well as through questioning by the Court. The Court **ORDERED** the written Waiver and Consent to Enter Guilty Plea before a Magistrate Judge filed and made part of the record.

The undersigned then reviewed with Defendant Count Four of the Superseding Indictment and the elements the Government would have to prove, charging him with aiding and abetting in the distribution of oxycodone within 1,000 feet of a protective location, in violation of 21 U.S.C. §§ 841(a)(1), 841(b)(1)(C), and 860, and 18 U.S.C. § 2. The undersigned then reviewed with Defendant the statutory penalties applicable to an individual adjudicated guilty of the felony charge contained in Count Four of the Superseding Indictment, the impact of the sentencing guidelines on sentencing in general, and inquired of Defendant as to his competency to proceed with the plea hearing. From said review the undersigned Magistrate Judge determined Defendant understood the nature of the charges pending against him and understood the possible statutory maximum sentence which could be imposed upon his conviction or adjudication of guilty on Count Four was imprisonment for a term of not less than one (1) year and not more than forty (40) years; understood that a fine of not more than \$2,000,000.00 could be imposed; understood that both fine and imprisonment could be imposed; understood he would be subject to a period of at least six (6) years of supervised release; and understood the Court would impose a special mandatory assessment of \$100.00 for the felony

conviction payable on or before the date of sentencing. Defendant also understood that his sentence could be increased if he had a prior firearm offense, violent felony conviction, or prior drug conviction. He also understood he might be required by the Court to pay the costs of his incarceration and supervised release.

The undersigned also reviewed with Defendant his waiver of appellate and collateral attack rights. Defendant understood that if the District Judge imposed an actual sentence that was the same or equivalent of a guideline calculated sentence that started with a base offense level of twenty-four (24) or lower, he was waiving his right to appeal his conviction and sentence to the Fourth Circuit Court of Appeals on any ground whatsoever, including those grounds set forth in 18 U.S.C. § 3742. Defendant further understood that under his plea agreement, he was waiving his right to challenge his conviction and sentence in any post-conviction proceeding, including any proceeding under 28 U.S.C. § 2255. Defendant understood, however, that he was reserving the right to raise claims of ineffective assistance of counsel or prosecutorial misconduct that he learned about after the plea hearing and agreed that he was unaware of any ineffective assistance of counsel or prosecutorial misconduct in his case at this time. From the foregoing, the undersigned determined that Defendant understood his appellate rights and knowingly gave up those rights pursuant to the conditions contained in the written plea agreement.

The undersigned Magistrate Judge further examined Defendant relative to his knowledgeable and voluntary execution of the written plea bargain agreement, and determined the entry into said written plea bargain agreement was both knowledgeable and voluntary on the part of Defendant. The undersigned then inquired of Defendant regarding his understanding of the written plea agreement. Defendant stated he understood the terms of the written plea agreement and also stated that it

contained the whole of his agreement with the Government and no promises or representations were made to him by the Government other than those terms contained in the written plea agreement.

The undersigned Magistrate Judge further inquired of Defendant, his counsel, and the Government as to the non-binding recommendations and stipulation contained in the written plea bargain agreement and determined that Defendant understood, with respect to the plea bargain agreement and to Defendant's entry of a plea of guilty to the felony charge contained in Count Four of the Superseding Indictment, the undersigned Magistrate Judge would write the subject Report and Recommendation and would further order a pre-sentence investigation report be prepared by the probation officer attending the District Court. The undersigned advised the Defendant that the District Judge would adjudicate the Defendant guilty of the felony charged under Count Four of the Superseding Indictment. Only after the District Court had an opportunity to review the pre-sentence investigation report, would the District Court make a determination as to whether to accept or reject any recommendation or stipulation contained within the plea agreement or pre-sentence report. The undersigned reiterated to the Defendant that the District Judge may not agree with the recommendations or stipulation contained in the written agreement. The undersigned Magistrate Judge further advised Defendant, in accord with Federal Rule of Criminal Procedure 11, that in the event the District Court Judge refused to follow the non-binding recommendations or stipulation contained in the written plea agreement and/or sentenced him to a sentence which was different from that which he expected, he would not be permitted to withdraw his guilty plea. Defendant acknowledged his understanding and Defendant maintained his desire to have his plea of guilty accepted.

Defendant also understood that his actual sentence could not be calculated until after a pre-sentence report was prepared and a sentencing hearing conducted. The undersigned also advised, and Defendant stated that he understood, that the Sentencing Guidelines are no longer mandatory, and that, even if the District Judge did not follow the Sentencing Guidelines or sentenced him to a higher sentence than he expected, he would not have a right to withdraw his guilty plea. Defendant further stated his attorney showed him how the advisory guideline chart worked but did not promise him any specific sentence at the time of sentencing. Defendant stated that he understood his attorney could not predict or promise him what actual sentence he would receive from the sentencing judge at the sentencing hearing. Defendant further understood there was no parole in the federal system, although he may be able to earn institutional good time, and that good time was not controlled by the Court, but by the Federal Bureau of Prisons.

The Court heard the testimony of Sergeant Todd Forbes of the Monongalia County Drug and Violent Crime Task Force and is involved in drug related investigations in the Morgantown, West Virginia, area. Sergeant Forbes worked with other task force members and a confidential informant to investigate illegal drug activity involving individuals from the Detroit, Michigan, area. During the summer of 2014, Defendant resided on Dille Street, Morgantown, West Virginia, when he was in the area. The Dille Street residence was rented by Defendant's girlfriend and was located within 1,000 feet of West Virginia University. On September 4, 2014, a confidential informant advised Sergeant Forbes that contact had been made with Defendant to buy five (5) oxycodone pills. That confidential informant, while wearing a recording device, purchased oxycodone at the Dille Street residence from a co-defendant named in the Indictment as a coconspirator of Defendant. Laboratory analysis proved the pills the confidential informant purchased from Defendant were oxycodone.

Defendant stated he heard, understood, and did not disagree with Sergeant Forbes' testimony. The undersigned United States Magistrate Judge concludes the offense charged in Count Four of the Superseding Indictment is supported by an independent basis in fact concerning each of the essential elements of such offense. That independent basis is provided by Sergeant Forbes' testimony.

Thereupon, Defendant, Tyree Dupree Williams, with the consent of his counsel, L. Richard Walker, proceeded to enter a verbal plea of **GUILTY** to the felony charge in Count Four of the Superseding Indictment.

Upon consideration of all of the above, the undersigned Magistrate Judge finds that Defendant is fully competent and capable of entering an informed plea; Defendant is aware of and understood his right to have an Article III Judge hear and accept his plea and elected to voluntarily consent to the undersigned United States Magistrate Judge hearing his plea; Defendant understood the charges against him, not only as to the Superseding Indictment as a whole, but in particular as to Count Four of the Superseding Indictment; Defendant understood the consequences of his plea of guilty, in particular the maximum statutory penalty to which he would be exposed for Count Four; Defendant made a knowing and voluntary plea of guilty to Count Four of the Superseding Indictment; and Defendant's plea is independently supported by Sergeant Forbes' testimony which provides, beyond a reasonable doubt, proof of each of the essential elements of the charges to which Defendant has pled guilty.

The undersigned Magistrate Judge therefore recommends Defendant's plea of guilty to Count Four of the Superseding Indictment herein be accepted conditioned upon the Court's receipt and review of this Report and Recommendation.

The undersigned further directs that a pre-sentence investigation report be prepared by the adult probation officer assigned to this case.

Defendant is remanded to the custody of the United States Marshal Service pending further proceedings in this matter.

Any party may, within fourteen (14) days after being served with a copy of this Report and Recommendation, file with the Clerk of the Court written objections identifying the portions of the Report and Recommendation to which objection is made, and the basis for such objection. A copy of such objections should also be submitted to the Honorable Irene M. Keeley, United States District Judge. Respectfully submitted this 24th day of June, 2015.
